

SCHOOL PATRONAGE SURVEY RESULTS 2013

The results of the Primary School Patronage Surveys have been published by the Department of Education and Skills. 43 areas were surveyed and of these recommendations have been made for 25 Educate Together schools; 2 Community National Schools (VEC) and one Gaelscoil. The committee overseeing the surveys does not consider that the remaining 15 areas currently show sufficient demand for a change of patron. Source: www.education.ie (2 April 2013)
