Statement of Directors' Responsibilities

We are responsible for preparing the financial statements in accordance with applicable Irish law and Generally Accepted Accounting Practice in Ireland including the accounting standards issued by the Accounting Standards Board and published by The Institute of Chartered Accountants in Ireland.

Irish company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company at 31 December 2008 and of its deficit for the year then ended. In preparing those financial statements we are required to:

1. select suitable accounting policies (as laid out on page 9) and then apply them consistently;
2. make judgements and estimates that are reasonable and prudent;
3. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

We confirm that we have complied with the above requirements in preparing the financial statements.

We are responsible for keeping proper books of account that disclose with reasonable accuracy at any time the financial position of the company and enable us to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish statute comprising the Companies Acts 1963 to 2006.

We are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
